Dear all concerned,

We have made several revisions in our shipping manuals. Please refer to below summary for the revisions.

Index	Page	After Revision
5.2 Check Sheet for Export Trade Control Order	11	5.2 Check Sheet for Export Trade Control Order In Japan, we have export regulation called "Export Trade Control Order". According to this law, you have to confirm that your cargo doesn't include any dangerous items which can be used as weapons before you ship your cargo from Japan to your country. Please download and fill out the Check Sheet for Export Trade Control Order and submit it to NIPPON EXPRESS or other transportation company before the return shipment.
